REQUEST FOR APPROVAL OF DRAWING AMENDMENT

Commissioner of Patent and Trademarks
Washington, DC 20231

Sir:

Attached hereto are Figs. 1, 2a and 2b with the corrections indicated in red ink therein. Specifically, Applicants have added the legend ---(Prior Art)--- to Fig. 1 and provided reference lines in Figs. 2a and 2b leading to the permanent magnet 260.

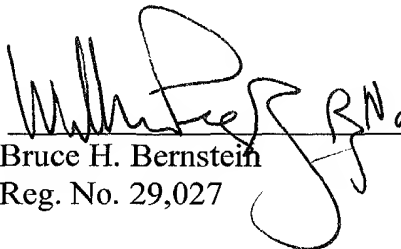

The changes indicated above have been made to more accurately correspond the drawing to the description relating to the respective figures in Applicant's disclosure.

Applicants submit that, by these changes, no prohibited new matter has been added to the application, and respectfully request the Examiner to indicate approval for entry of the proposed drawing changes in the next official communication.

P20978.A05

Should the Examiner have any questions or comments regarding the above proposed drawing corrections, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Gunhee JANG et al.
